Lotomatique Subscription Certificate

As soon as possible after the receipt of a duly completed subscription along with the appropriate payment mode, Loto-Québec will mail the subscription certificate to the last address provided. This certificate will indicate the numbers assigned, as well as the dates upon which the subscription to each lottery selected will come into effect and expire. The certificate also confirms that, for the given number of consecutive draws held by Loto-Québec as of the date shown thereon, the subscriber will be deemed to have wagered:

- \$2 for each six-number *Lotto 6/49* selection shown on the certificate
- \$1 for each six-number *Québec 49* selection shown on the certificate
- \$2 for each three seven-number *Super 7* selections shown on the certificate
- \$1 for each *Extra* number shown on the certificate; if no wager was placed on *Extra*, the message "EXTRA NON PARTICIPANT" will appear above the number generated by the system.

Unless the subscriber selects his/her own numbers, they will be generated at random by computer (Quick-Pick). **The subscriber has a five-day period following receipt of the certificate to verify it to ensure that it is consistent with the application, and to notify Loto-Québec of any errors.** Only the ticket numbers registered by the central computer system may take part in the game, notably, in the event of a discrepancy between the numbers selected and those indicated on the certificate. In the case of group purchases, each group member will receive a certificate indicating his/her share in the subscription. Loto-Québec reserves the right to refuse all or part of any subscription application.

Cancellation or Modification

Loto-Québec reserves the right to cancel or modify, in whole or part and at any time, any lottery, and to modify any subscription or subscription condition. If a lottery is modified (except in the event that the modification concerns the prize structure), Loto-Québec will inform subscribers of the change. The subscribers may then choose to continue their subscription under the revised system, or cancel it by providing written notice within the prescribed period. In the case of group purchases, Loto-Québec will inform the group representative, who will be the only one authorized to request cancellation or modification of the group's subscription, and whose actions Loto-Québec will consider binding on all other members of the group. If cancellation is requested, the residual value of the subscription and of each member's accrued prizes will be refunded in accordance with the shares held.

Subscribers may not cancel, modify or alter the conditions of the subscription except under the circumstances outlined above. **If a subscription is unpaid, it will be cancelled and the winnings originating from past draws belong to Loto-Québec. Any unpaid share of the group is transferred to Loto-Québec until the expiry of the subscription and the gains associated with that share belong to Loto-Québec.**

Prizes

Loto-Québec pays subscribers' prizes by sending out cheques in the mail. Any free plays won are issued for the following draw. **Smaller prizes won are accumulated and paid once their total reaches or exceeds \$10. In the case of group purchases, smaller prizes won are accumulated and paid once their total reaches or exceeds \$10 per group member.** Residual balances are paid at the end of the current subscription. **In the case of group subscriptions, if the balance per member is less than \$2, the residual value will be allotted to one member of the group by way of a random draw among all the members.** In the case of merchandise prizes won by members of a group, Loto-Québec reserves the right to reimburse the members with the equivalent cash value, in accordance with the share held by each member. Loto-Québec also reserves the right to publish (free of charge, the name, address and photograph of any winner. The odds of winning for each game are available, upon request, at the *Lotomatique* Customer Service Department, at any Loto-Québec retailer that operates a lottery terminal or at lotoquebec.com.

Lottery System Conditions

Each lottery is governed by the applicable laws and regulations (available at Loto-Québec's Montréal head office) and by the conditions outlined on its respective tickets and selection slips. **The sale of lottery tickets to minors is strictly prohibited by law.** As well, the date the lottery subscription comes into effect may not necessarily be that of the first draw following the date on which payment was received.

Changes

Subscribers must advise Loto-Québec without delay of any change of their credit card number or the card's expiry date. In the case of a change of address, subscribers must complete and return the detachable portion of the subscription certificate reserved for that purpose. Neither the names of subscribers or group members nor their respective numbers may be amended during the subscription period.

Table B Personalized Lottery Selection

Choose the 52-week 26-week subscription.

- 1) Indicate how many times you wish to participate in each draw in the *Number of Play* column.
- 2) Indicate how many *Extra* numbers you wish to have in the *Number of Extra Numbers per Draw* column. Please note that you can obtain several *Extra* numbers for each subscription to a product.
- 3) Calculate the *Cost of Plays* (A), *Cost of Extra* (B), and the *Total* (A+B) and indicate the amounts in the appropriate spaces.
- 4) Indicate your selections for your desired products in the appropriate space in the *SLIPS* section, or have the computer generate your selections by checking the *QUICK-PICK* option. Be sure that the number of selections indicated corresponds to your choices. If not, any missing selection(s) will be generated by *QUICK-PICK*.

52-week 26-week Subscription

The subscription duration must be the same for all chosen products.

Number of Draws: 104 X 52-week 26-week
 Cost per Play: \$3.00 = \$312.00 X 26-week
 Subtotal: \$3.00 = \$156.00 X 26-week

Number of Plays (max. 10): 104 X 52-week 26-week
 Cost of Plays: \$2.00 = \$208.00 X 26-week
 Subtotal: \$2.00 = \$104.00 X 26-week

Number of Plays (max. 10): 104 X 52-week 26-week
 Cost of Plays: \$1.00 = \$104.00 X 26-week
 Subtotal: \$1.00 = \$52.00 X 26-week

Number of Plays (max. 10): 52 X 52-week 26-week
 Cost of Plays: \$2.00 = \$104.00 X 26-week
 Subtotal: \$2.00 = \$52.00 X 26-week

Number of Plays (max. 10): 26 X 52-week 26-week
 Cost of Plays: \$2.00 = \$52.00 X 26-week
