

21st edition **NON** Dinner

A MEAL TO FEED AN ENTIRE COMMUNITY!

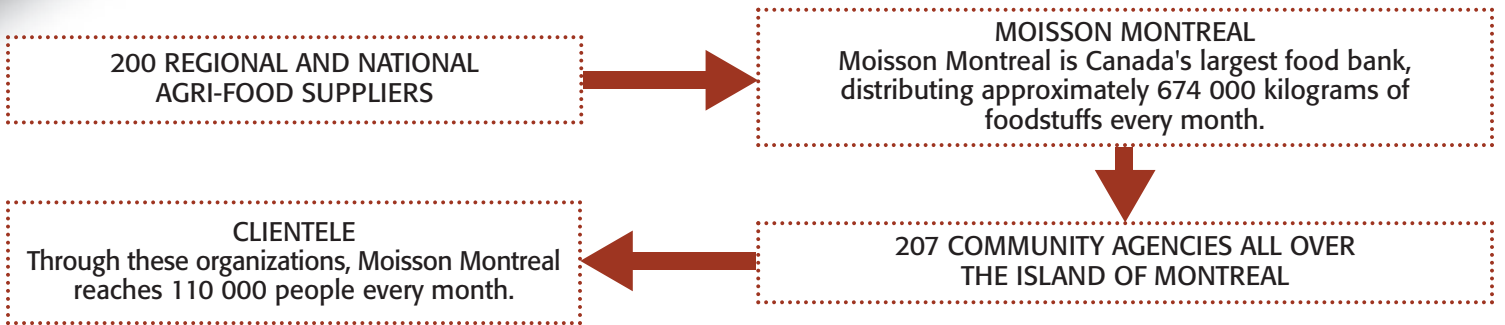

Dear friend,

The Holiday season will soon be here! For many, this is a time of joy and celebration. However, for other families, it represents a time of added concerns. When times are difficult, family and friends are essential, but there are also many community agencies, such as Moisson Montreal, that can help.

It is with great pleasure that we invite you to participate in the 2008 Non-Dinner, a symbolic Holiday dinner. You can make a difference by "attending" the Non-Dinner without the transportation, attire and other expenses required to attend a traditional charity event. You will help Moisson Montreal directly so that it can better meet the nutritional needs of a great number of underprivileged citizens in the metropolitan area.

By accepting our invitation, you contribute directly to the food assistance supply chain, of which Moisson Montreal is an essential link.

The food assistance supply chain

If you have already made a donation to Moisson Montreal in the last few weeks, please forward this invitation to a family member, a friend or a neighbour. By participating in Moisson Montreal's Non-Dinner, you will not only fill people's hearts, but their stomachs as well.

On behalf of all those in need, the Board of Directors and the entire team at Moisson Montreal, I thank you in advance for your contribution to this symbolic dinner.

Johanne Thérout
General Manager

N.B. The donations will be used in our 2007-2011 constructed assets campaign.
