Travel Outside the Country & Symptoms

Given the spread of the coronavirus (COVID-19) and the new data provided by the World Health Organization (WHO), Moisson Montréal has established several prevention measures, based on the directions of health authorities to ensure everyone's safety under these circumstances.

Therefore we are asking that everyone visiting Moisson Montréal locations complete the following form (employees, volunteers, accredited organizations and visitors).

Based on the situation, the organization will apply preventative measures and follow the directions provided by health authorities.
